Number Rhymes to help your child write his/her numbers correctly.

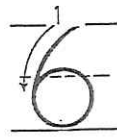

Around the fire, around the world,
that's the way the "0" curled.

Down, around, go back for the hat
number "5" is round and fat.

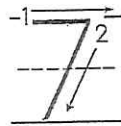

A straight line is fun,
that's a "1".

Down and a loop,
a "6" makes a hoop.

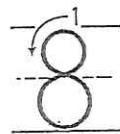

Around and back on the railroad
track 2, 2, 2.

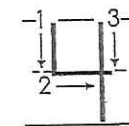

Across the sky and down from
heaven, that's the way to make a
"7".

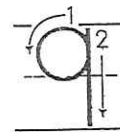

Around a tree, around a tree,
that's the way to make a "3".

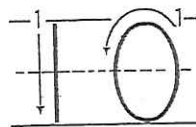

Make an "s" and do not wait,
go straight to make an "8".

Down, across, and down once more,
that's the way to make a "4".

A loop and a line,
that's a "9".

A "1" and a "0"
"10" is a hero.
